

Short C.V.

DIMITRIS G. KARDOULAS

Born in ATHENS 23 / 03 /1957
Married with one daughter 19 years old
Tel. +306944359700
e-mail: dkar@hol.gr
dkardoulas@gmail.com

EDUCATION

ELECTRICAL ENGINEERING, University Of Patras , Greece.

B.Sc. ELECTRICAL and ELECTRONIC ENGINEERING,
University Of Strathclyde, Glasgow,Scotland.

M.Sc. BIOMEDICAL ENGINEERING ,University Of Strathclyde,
Glasgow, Scotland.

Ph.D. MEDICAL IMAGING, University of Crete , School of Medicine,
Department of Medical Imaging.
(Thesis : The role of color Doppler Ultrasonography in the qualitative
and quantitative assessment of Lower Extremity Venous Valvular
Insufficiency).

WORKING EXPERIENCE

251 GEN.AIR FORCE HOSPITAL . Non-invasive Vascular Laboratory
1984-1989.

LEKATSAS DIAGNOSTIC CENTER. Non-invasive Vascular
Laboratory. 1986-1994.

ECHODIAGNOSTIC TOMOGRAPHY. Vascular Ultrasonography Dep.
1989-1992.

MITERA MATERNITY HOSPITAL. Noninvasive Vascular Lab. 1986-
1990.

UNIVERSITY OF CRETE, SCHOOL OF MEDICINE. **Lecturer in
Medical Imaging** , Department of Medical Imaging 1992-1995.

MEDICAL CENTER OF CRETE. Vascular Ultrasound Department.
1989-1998.

ATHENS CARDIOLOGY CENTER. Vascular Ultrasound Dep. 1987-
1992.

UNIVERSITY OF CRETE, VASCULAR SURGERY DEP. Scientific Attachment 1997-2010.

KYANOUS STAYROS HOSPITAL. Vascular Ultrasound Department. 1994- 2010.

EUROCLINIC OF ATHENS Gen . HOSPITAL. Ultrasound Department. 1998- Today.

LECTURER (Subject: Vascular Ultrasonography) M.Sc Course in vascular Surgery and Endovascular Techniques . University of Athens – University Milano Bicocca.

PUBLICATIONS

Carotid artery plaque composition- Relation to clinical presentation and ultrasound B-Mode imaging. *Eur J Vasc Endovasc Surg* 1995;10:23-30(COMAC BME Concerted Action-EEC)

The Nature of Lower Extremity Venous Insufficiency in Patients with Primary Varicose Veins. *Eur J Vasc Surg* 1994;8:464-471.

Ultrasonographic and histologic characteristics of symptom-free and symptomatic carotid plaque. *Cardiovascular Surgery* 1996;Vol 4, No 5: 580-590.

Clinical presentation and anatomic distribution of chronic venous insufficiency of the lower limb in a typical Mediterranean population. *Int Angiol* 2002Jun;21(2):187-192.

Total occlusion of the common carotid artery: a modified classification and its relation to clinical status. *Ultrasound Med Biol*.2008 Jun;34(6):867-873.

Right subclavian double steal syndrome: a case report. *J Med Case Reports*. 2008 Dec 23;2:392.

Spinal cord ischemia after endovascular embolization of a type II endoleak following endovascular aneurysm repair. *Ann Vasc Surg* 2012 Aug; 26(6):860. e 1-7.doi: 10.1016/j.asvg.2011.12.018.

Renal denervation: an upstream therapy for metabolic disease? *Cardiovascular Endocrinology* 2013,2:77-84.

6 more publications in Greek Medical journals 1994-1999.

INVITED SPEAKER

90 PARTICIPATIONS IN ROUND TABLES AS INVITED SPEAKER IN NATIONAL AND INTERNATIONAL VASCULAR SURGERY AND MEDICAL IMAGING SYMPOSIA (Subject: Vascular ultrasonography). 1988-2015.

FREE PAPER PRESENTATIONS

53 FREE ORAL PRESENTATIONS IN NATIONAL AND INTERNATIONAL VASCULAR SURGERY AND MEDICAL IMAGING SYMPOSIA. 1988-2014.

PARTICIPATION IN BOOK WRITING

Participation in writing chapters as co-author in 6 books with subject Vascular ultrasonography.
